A flawless blend of 75% nylon and 25% elastane, this fabric leverages nylon's exceptional mechanical strength, toughness, and abrasion resistance, ensuring outstanding durability. Its non-toxic nature prioritizes skin safety, while its easy-care property makes it an ideal choice for fast-paced lifestyles.

NUDE TONE FABRIC

By combining 80% nylon with 20% spandex, this fabric blend imparts products with substantial strength, heat resistance, and resistance to deformation. Its outstanding moisture-wicking and breathability guarantee comfort, while its anti-pilling characteristic and enduring elasticity maintain a fresh look, establishing it as a top choice for quality living.
